

Dear Fundraiser

Thank you for choosing The Rossendale Trust to raise funds for, you really can make a big difference! Whether running the London Marathon, jumping from a plane or arranging a coffee morning, we couldn't be more grateful for your support. We hope this small pack helps to start your fundraising off in style.

Here's a little information about us so you know who you are raising money for:

We have been providing care and support for adults with learning disabilities for over 40 years. The Trust was started in 1973 by two local families who as a result of having a child born with learning disabilities, found there was a gap for the sort of care and support they required. The Trust has grown considerably over the years, assisted by the support of local families, relatives, businesses and fundraisers. We provide a Supported Living care service. This is a "don't do it for me, do it with me" of approach to care. The local authority fund the base line care needs of the individuals in our care, the extras we have to independently fundraise for.

Thanks again and good luck! Don't hesitate to get in contact with us if you need any further assistance.
